CAMERON, MILAM COUNTY, TEXAS. THURSDAY March 29, 1956

NUMBER 52

## Good Friday Services At Methodist Church 12 to 3

The preparation for worship in the Good Friday Services at the Methodist Church will begin at 12 noon with the Rev. John Solomon leading in the Preparation For Worship by responsive reading and the invocation.

The first of the approximately twenty minute sermonettes on

"The Seven Last Words Of Christ" will be delivered by Rev. P. L. Caperton using "The Word Of Forgiveness" as his theme.

Following each of the short sermons will be a meditative period and a hymn service. The hymn of SERVICE following the first sermon will be "Jesus Calls Us."

Second Word "The Word of Salvation" is the theme to be covered by Rev. E. J. Davis the host pastor. Followed by the hymn of COURAGE "Oh Jesus I Have Promised."

Third Word "The Word of Love" by Rev. Haves White of Maysfield followed by the hymn of DEVOTION "What a Friend We Have In Jesus."

Fourth Word "The Word of Loneliness" by Rev. A. F. Russell followed by the hymn of INTERCESSION "In the Hour of Trial."

Fifth Word "The Word of Human Need" by Dr. C. H. Morris and the hymn of ASPIRATION following: "Beneath The Cross of Jesus."

Sixth Word "The Word of Triumph" by Rev. H. M. Bowley followed by the hymn of PENITENCE "When I Survey the Wondrous Cross."

Seventh Word "The Word of Commitment" by Rev. Donald Henderson with the hymn of CONSECRATION "In The Cross of Christ I Glory."

The doors of All Saints Episcopal Church, across the street from the Methodist Church, will be swung wide open so that anyone arriving while a sermon is being delivered should feel free to enter for meditation until the organ or hymn singing interlude at the Methodist Church.

## Robert Weems Seeks Elevation To Mayor To Build Cameron

Announcing his candidacy for Mayor of Cameron Robert Weems for five years a councilman made the following statement:

TO THE VOTERS OF CAMERON TEXAS.

After serving 5 years as your elected councilman, I have decided to ask for your support for the Office of Mayor of this town. During the past five years, I have fought for street improvements, extension and improvement of the water system, and the Sewer system. Without increasing taxes I have been instrumental in having many streets paved while I served as chairman of the street committee. I saw to it that tin can collections were kept up without any new equipment. I believe I have worked hard in your interests.

Now I feel that I can do more for you if I am elected Mayor and have, therefore, announced for the position. I would like to see WEEMS on Pg. 4

## Former Mayor A. N. Green Announces Council Platform

I am announcing for Alderman, Place 2, hoping that with your cooperation and aid I can give you a reasonable and practical service.

It is my belief you want a general reworking of your streets and a drainage system that will not overflow your property every time a hard rain falls.

If elected I will work hard to please you.

I assure you I shall appreciate any favorable consideration you give me.

A. N. Green  
Paid Political Announcement

## ELECTION TUESDAY

## City Races Drawing Increased Interest

Tuesday April 3 is City election day. This is the first time in the history of Cameron that men are running for the Council and are legally called Councilmen rather than Aldermen. They are on the ballot as candidate for a particular PLACE and in the coming election only Place 2 is open.

Candidates for the open Place 2 are Sam Houston, A. N. Green, Charles Brady Sr. and R. J. Griffin.

For Mayor the first candidate to announce was Bassell Wilson of the Wilson Produce and Wilson Credit Jewelers. Wilson is the only newcomer on the local political scene and decided to run after being prompted to do so by men who wanted a successful businessman to accept the responsibility of Mayorship.

Robert Weems announces this week on the basis of his five years experience as Alderman at which job he has served on the street committee. He fills the office of Alderman at this time, a post he will have to resign following the election in the event he is elevated to the Mayorship.

Milton J. Schiller, also running his announcement in this edition

of the Herald has six years behind him on the City Council and this year instead of seeking re-election to his Place on the Council is seeking elevation to the Mayorship on the basis of his experience and with a main plank in his platform "Progress Without Waste."

B. J. Matocha in trying to estimate the number of votes to be polled in this election felt that 800 would be a reasonable estimate with interest running better than usual.

To Be Accepted By Red Cross In Cameron Today

## BLOOD...

The Red Cross Bloodmobile will be in Cameron Thursday, March 29, from 12:00 noon to 6:00 p.m. at the Masonic Building, 118 N. Houston Street (two doors down from the T. P. & L. office). The need for blood donors is urgent. During the past year Milam County residents used 561 pints of blood from the Red Cross Blood Center. This is a pint of blood every fifteen hours of every day in the year. Donations were considerably less than the amount used. The additional blood used coming from other countries. If the Milam Chapter of the Red Cross's blood program is to continue to operate successfully the number of donors must be increased.

The quota for this visit of the bloodmobile is 70 pints. Rev. John Solomon, donor recruitment chairman, stated the committee was in hopes Cameron citizens would recognize the need for additional donations, and exceed the quota.

When questioned about the blood program, Richard W. Moseley, general chairman said: The blood program was necessary in order to have blood available See BLOOD on Pg. 4

## U. D. C. Plans District Meet

United Daughters of the Confederacy met at the home of its historian, Mrs. Ed Gunn recently. The group welcomed back their president, Mrs. Jeff Kemp who has been in Arlington, Virginia for an extended visit.

Roll call was answered with Texas brags or bits about the confederacy.

Plans were made for a District meeting of the organization of which Mrs. R. L. Batte is president. The district meeting is to be held on April 22.

A letter of invitation of Three Arts Club was read in which the UDC was invited to attend their club meeting at the All Saints Parish House on April 12.

## Cameron Teen Ager Safe After Anxious Hours

A Cameron teen-age girl, described by her parent as a home-loving girl was the object of much concern last week and the object of a wide spread search.

Description of the five foot, brown haired young lady was broadcast intermittently over radio station KML Saturday morning. The broadcast finally accounted for the return of the youngster to Cameron when Belton officers found her after having spent the early morning hours in Killeen.

The Belton officials contacted Sheriff Carl Black and he picked up the girl in Belton at about 11 a.m.

Early in the evening on Friday a group of youngsters said their plans were to go to church at Buckholts but later when the father of the missing girl attended the Buckholts services and found that his daughter was not there began looking for her upon his return to Cameron.

Returning with Sheriff Black the awol young lady told that she had caught a ride with a family at one of the Cameron Service stations and had ridden to Killeen with them. The identity of the couple was unknown.

The returned daughter told her father that she had wished a thousand times that she hadn't left home but was induced to go on a "skyline" because of some of the books she had read.

## Milton J. Schiller Mayor Candidate On Basis Of Record

Place 2 on the City Council now designates the office held by J. Milton Schiller for six years. That place is now open and four candidates have announced their candidacies for that spot.

Councilman Schiller in announcing his candidacy for the office of Mayor, which is also an open race since Mayor Horstmann did not file for re-election points out the fact that he does not hold an office at this time and that he is offering his 6 years experience as councilman as Mayor as the main plank in his platform, and in any event he places that experience and his record before the electorates so that it will constitute a VOTE OF CONFIDENCE in his past performance and in the event he is not elected he does not expect SCHILLER on Pg. 4

## Buckholts Switches Over To \$100,000 Dial Telephones May 6

By Mrs. J. W. Meyers  
The latest development in the Buckholts modernization program is a new automatic dial telephone system which is nearing completion.

According to W. S. Bain of San Antonio, owner of the Mid-State Telephone Co., and H. W. Frazier, local operator, the switch from the old rural system to operating the new Stromberg-Carlson dial system is to be effected on May 6.

The \$100,000 job is financed through the Rural Electrification Authority loan. Contractors are the J. B. Construction Company of Abilene.

Present office will still be retained as the local business office under the management of H. W. Frazier, plant superintendent and Mrs. Frazier.

All local calls will be handled automatically through the dial, while long distance service will be trunked out of Temple through Southwestern Bell Telephone Co.

## Maundy Thursday Communion At All Saints Tonight

The Very Reverend Gray Blandy, Dean of the Episcopal Seminary of the Southwest in Austin will be at All Saints in Cameron for the Maundy Thursday services of the Holy Communion at 8 p.m.

## Milam's Sheriff Carl C. Black Asks Vote Of Confidence

Sheriff Carl C. Black in announcing his candidacy said in a letter received in this office after the deadline for last week's paper said "It is with a sense of obligation and humility I announce my candidacy for re-election to the office of Sheriff of Milam County. Any person privileged to serve the people of this county, as I have been, is certain to feel keenly the honor bestowed upon him by the electorate."

The letter, addressed to the editor, said "I want you to thank them for me," and then further stated "To the citizens of Milam County, I pledge my continuing devotion to the duties of the office, the closest possible cooperation, and an impartial administration of the law. With that promise in mind, I respectfully ask the support of each of them in the coming election."

Carl C. Black  
Paid Political Announcement

## Ben Milam Chapter Children Of Confederacy Organized By Mrs. Batte

The Ben Milam Chapter of Children of the Confederacy was organized Saturday morning with about fifteen youngsters present.

Mrs. R. L. Batte Sr. is organizing the chapter.

## Dance To Raise Funds For CYO Planned April 2

A called C. Y. O. meeting was held Wednesday night following church at the Simon and George Memorial Hall. The purpose of this meeting was to plan a fund raising project.

A public dance was decided to be held on Monday April 2. Music will be furnished by "The Hillboppers" of Bryan.

Chairmen of various committees were "Butch" Polzer, Peggy Burke, Eddie Joe Pavelik, Barbara Hollis, George Zarosky, Lydia Krenek, Mary Frances Zarosky, Agnes Sheguit, Anita Trdy, and Evelyn Vybiral.

## Guided Tour Of Herald Offered Student Groups Each Thursday

A guided tour of the Cameronation much better than if they witness the plant in operation the first time.

All any group has to do is drop a card to Bo Patterson at the Herald stating the names of those who will be at the plant on Thurs.

To Bo Patterson at the Herald stating the names of those who will be at the plant on Thursday of any week at 4 p.m. and then show up at that time and the welcome mat will be out.

It is impractical to take large numbers of students through the plant while it is in operation but it is planned that such a tour will be conducted later for students among those who have first seen the plant during its idle hours. By this plan it is reasoned that the students will first become familiar with the equipment and later will appreciate and understand the actual operation.

## Dr. David Shapiro Announces Platform For School Trustee

TO THE VOTERS OF THE CAMERON INDEPENDENT SCHOOL DISTRICT.

The public school system is one of the important cornerstones of our democratic civilization. It should and must provide the best education possible so that our children can grow into the leaders, scientists, doctors, lawyers, engineers, skilled workers and farmers that our country needs in order to grow and prosper and remain the greatest country on earth. Because I feel that our school system can and should do a better job, I have announced my candidacy for the job of trustee of the Cameron Independent School District.

The public school system, next to Alcoa, is the biggest enterprise in Milam County and it belongs to all the people of the respective school districts. If elected I will endeavor to see to it that the money you pay in school taxes is spent so that the best possible use of every dollar is made. I am for an independent audit of the school funds at the end of the year. I am for improving the school curriculum. It seems to me it is time for a change in administration. The old members have not made any improvements unless forced to by circumstances. The members elected last year need the help of men who like themselves want to make improvements. Dr. David Shapiro  
Paid Political Announcement

## Yoe Reels Off Twenty-First Invitation Track Meet

While schoolboy athletes were running of the athletic events to dium Saturday at the 21st. running of the Cameron Invitation Track Meet the school officials were setting themselves up a new mark in cooperation in the smooth official from the top man down shoot at in years to come.

The Port Arthur Yellow Jackets took home the loving cup as token of their 45 points garnered in the meet while every Cameron school official from the o amopnd nwt pitched in to click off the events to the delight of the three to four hundred fans who loved the action packed evening.

Coach for the day was W. T. Hanes and Leo Jackson Quarterback on the official team, and a harder working quarterback never called a signal at Yoe Stadium than did Jackson, Saturday. Assistants in the officials' backfield were Principal Layfield who kept statistics, Albert "Red" Collins "Kicked" the information all over the lot on the loud speaker, Jimmy Asher was the star "Passer" for the official team. He passed out the honors to the boys who won them. Those who played in the official "line" and ran interference were too numerous to mention but their day's work accounted for a mighty successful day at Yoe Stadium for Cameron and all its visitors.

Finishing tied the boys from the gulf were the Killeen Kangaroos with 21 and one third points with the Waco Tigers mustering third with 16 points. Belton and Weimer tied for fourth place with ten points each and in each case one contestant made all of their points to make a three way tie with Waco for high point men. By name the high point men were Poole of Weimer, Cline of Belton and Patterson of Waco.

Coach W. T. Hanes had Collins kick out the information that in the case of the three way tie for high point man that DUPLICATE awards would be mailed to each of the two athletes who failed in the casting of lots to see which took home the cup on hand for that honor. Poole of Weimer won the right to take the high point award home.

Patterson had a chance to take the high point honors by qualifying in the finals of the 220-yard dash but failed to win a place.

The Temple Wildcats picked up only 7 and one-third points. The only first place was on a flip of a coin when Jamie Dunlap, Cecil Fickle of Killeen and Billy Stone of McGregor tied for first in the high jump at 5-10. Dunlap won the toss, Fickle the second place medal and Stone third.

Port Arthur set four new records, all in the distance events. The Yellow Jackets set new records in the mile relay, mile run,

440-yard relay and 440-yard dash. They missed a record in the 880 yard dash by one-tenth of a second.

Patterson set a new record in both the high and low hurdles.

Thorndale's Donald Beard, who was counted on to set new records in the hurdle events, fell in the high hurdles and was unable to finish. He was not seriously hurt, however, and will be ready to run in the district meet next week, doctors said.

Old Record Gone  
Port Arthur's mile relay team of Don Kirkpatrick, Don Harrington, Archie Smith and Bernard Colvin ran a 3:31.5 to break the old record held by McCallum 3:35.9.

Billy Walker of Port Arthur ran a 4:43.3 mile to break the record held by Chambers of Luling at 4:44.6.

In the 440-yard relay, it was Billy Pierce, Colvin, Ken Watler and who broke Temple's record of 44.9 set last year.

Smith of Port Arthur had a 50.8 time in the 440-yard dash, to break the record of 51 flat by Matocha of Gonzales, set in 1955.

Cline Shines

Three of the field events were completed by the 1 p.m. recess. That's where Belton's Cline shone by repeating as a double champion. Cline broke his own discus record of 142 feet, 5 inches three times before posting the new 149-foot record. He had distances of 143, 147 and 148 feet.

In the shot put, Cline had two tosses that bettered his last year's record of 52 feet. He putted the 12-pound shot 52 feet, 7 inches and then posted the winning distance of 54 feet, 8 inches.

Killeen's Tom Schafer won the broad jump with a distance of 20 feet. See YOE TRACK on Pg. 4

## Joyce Nicholson Gets Female Oscar In 24-A Runner Up Play

It was a "Happy Journey" back to Belton Friday night for Jimmy Mecom and his troupers as they returned home following the victory of their portrayal of a one-act play of that name at Yoe High Auditorium in 24-A competition. Jimmy Mecom, star football player, with the Belton Tigers, won the male oscar for best player while Joyce Nicholson won the coveted award for her part of Ann in "Love Errant." The Yoe play took second honors.

It was a close decision for Dr. Muzon Law, the judge-critic from the Drama Department of the University of Texas, to make. He explained in his criticism that of primary importance in presentation of a play is the way in which the actors, as a group, relate their separate and collective part to real life and in the minds of their audience make that audience feel that real bona-fide mental processes are motivating their lines.

In "The Wedding Present" the first play of the evening performances, presented by the Rockdale students, Dr. Law stated that "In spite of certain limitations a husband is human" this criticism was aimed at a certain point he sought to make with the student actors in that play but seemed peculiarly laudable and applicable to real life husbands.

Dr. Law commended the authorities and the cast and directors of all six of the schools represented in the contest for their fine bit of staging the plays and getting them off in good fashion with little unaccounted delay. He felt that the fact of his return engagement meant that his criticism was well taken and noted that the

## Easter Seal Tradition Finest Of Humanity...

The amazing progress in caring for the crippled in this generation is one of the most important observations noted in the undercurrent of news released in conjunction with the 1956 Easter Seal Appeal, now in progress.

More has been accomplished for the crippled in our time than in all the generations of man's civilization before us.

IMPROVED TECHNIQUES  
Improvement in techniques is one explanation for the progress. Another is the work of both public and private agencies without whose efforts the scientific advances would be meaningless.

Not many private organizations can match the superlative contribution made by the National Society for Crippled Children and Adults and its 1,700 affiliates, including, of course, the Texas Society for Crippled Children and its almost-100 city and county units. For more than a quarter century these Societies have been providing care for the crippled and informing the public of the crippled's needs, spending Easter Seal dollars responsibly, wisely and well.

29 TREATMENT CENTERS  
In Texas the Appeal has meant many tangible things, chief among them the 29 treatment centers in as many cities and towns which afford medically prescribed and supervised therapy for any crippled person in the state, regardless of cause of crippling, race, creed or age, with a minimum of travel.

SEALS PROGRAM ENDS APRIL 10  
Contributions to the Texas Society also support corrective surgery and hospitalization for the crippled; physical, speech and occupational therapy to aid the crippled in overcoming of minimizing their conditions and to help them become useful and self-supporting citizens; recreational programs for children unable to run and play as able-bodied youngsters do; extensive educational and research programs on local, state and national levels.

This is the time of year when Texans can again contribute to this worthy cause. The Easter Seal program is the finest tradition of humanity and it deserves our fullest support. The Appeal continues through April 10.

MILTON F. BROWN, JR.

Entered in the Postoffice at Cameron, Texas, as mail matter of second class under an act passed by Congress, March 8, 1879. Published every Thursday. Subscription rates: In Milam County \$1.75 per year; outside county, \$2.75; out of State \$3.50.

## COURT RECORDS

### MARRIAGES

Charles W. Graham and Nancy Ellen Smith.

Joe Martinez and Juanita Landers.

J. R. Lee and Wilene Field.

**LITTLE RIVER PHILOSOPHER  
COMES OUT WITH UNWORK-  
ABLE PLAN FOR SOLVING THE  
FARM SURPLUS WOES**

Editor's note: The Little River

Philosopher on his Johnson grass farm on Little River comes up with another impossible idea this week, which we publish only in the interest of freedom of the press.

Dear editor:

As I understand it, there is considerable concern in Washington over the fact Congress has taken so long to get a farm bill passes it might not get into operation before the planting season arrives.

"The planting season is rushing toward us, has already arrived in the southern part of the country, and Congress ought to get some action of a farm bill." Washington leaders said with considerable worry last week. They may not all know when the planting season is for all sections of the country, but they all know when the election is.

This is one worry I personally can relieve Washington of. I am perfectly willing to delay my planting as long as I take.

I have tried planting by the moon, by the calendar, by a soil thermometer, by my rheumatism, by my neighbors, and by the far magazines, and I don't believe I'd have any worse luck if I planted by Congress.

As far as I'm concerned, Congress can take all spring and most of the summer if it wants to and I'll be glad to hold up on my planting until everybody in Washington is convinced the far problem is solved. I don't know

about others. Most farmers can't seem to wait to get seed in the ground, but I know my patriotic duty when I see it. I'm waiting.

Talking about the farm problem and the big surpluses we've been piling up, I have hit on a way which I believe would eliminate the surplus in a couple of years, maybe one year.

I estimate there are in this country at least a million or two people whose job consists of telling farmers how to farm. You take all the magazine editors, newspaper agricultural writers, agricultural college professors, radio farm meditors, Department of Agriculture experts, extension workers, vocational agriculture teachers, private farm foundation experts, street corner town experts, they could farm better than farm-

ers, luncheon clubs with farm programs, an politicians who promise to solve the farm problem, and add them up, and you'll get a pretty sizeable figure.

Yours faithfully,  
J. A.

Flash bulletin from Mobilgas Economy Run

# FORD WINS IN ECONOMY TOO!

## V-8 WINS CLASS A

In this year's Economy Run a new Ford V-8, with Fordomatic was the official victor over every car in its field, with a winning average of 47.7643 ton-miles per gallon. This means that the sturdier, heavier Ford carried more weight, with greater gas economy per pound, than any car in its field.

This latest Ford victory was scored over a rough and rigorous 1,468.8-mile route running from Los Angeles to Colorado Springs. The winning Ford threaded its way over the tough and twisting course averaging better than 40 mph. Through the heat of Death Valley and over the chilling height of an 11,000-foot mountain peak... through

the gas-eating stop-and-go of city traffic and over the straight-line open road... Ford proved anew its traditional reputation for economical performance.

The winning Ford was a regular-production model taken right from the assembly line and officially impounded until the starter's gun sounded. It was no different than thousands of '56 Fords you see on the road and in dealers' showrooms. This proves that Ford, the Performance, Style and Safety leader, leads in Economy, too! That adds up to four big reasons why the '56 Ford is worth more when you buy it, while you drive it, and when you sell it, too!

The "ton-mile" formula is used by contest officials to insure equal chance for all cars in each class regardless of size or weight. Ton-miles per gallon equals the car weight (including passengers) in tons, multiplied by the number of miles traveled, divided by number of gallons of gasoline consumed.

Test Drive the Economy Winner... '56 Ford

## IN THE NAME OF THE LAW

CONTRIBUTED IN THE  
PUBLIC INTEREST BY

TEXAS POLICE ASSOCIATION

### THE IMMINENT EXPLOSION

By N. K. Dixon, Security Officer, Internal Security  
Section, Texas Department of Public Safety  
AUSTIN, TEXAS

There is a tremendous explosion in your county. You learn that it occurred at an industrial plant. It resulted in \$500,000 damage and five lives lost. A man you know worked at that plant. You now recall that on several occasions you questioned him; you questioned his loyalty. That recollection might aid the police in an apprehension, although it won't bring to life those men whose right to live was the same as yours.

Espionage, sabotage and subversion are police problems. Problems of the local level as well as of the national level. The illegal activities of the subversive affect every citizen and every walk of life. They affect the peace and dignity of the state. They disrupt the economy and destroy social harmony.

The subversive will incite riot, foment friction and hatred between races and social classes. He will agitate strikes, denying you essential commodities and services. He will instigate violence.

### LOSE UGLY FAT IN TEN DAYS OR MONEY BACK

If you are overweight, here is the first really thrilling news to come along in years. A new & convenient way to get rid of extra pounds easier than ever, so you can be as slim and trim as you want. This new product called DIATRON curbs both hunger & appetite. Absolutely harmless. When you take DIATRON, you still enjoy your meals, still eat the foods you like but you simply don't have the urge for extra portions and automatically your weight must come down, because, as your own doctor will tell you, when you eat less, you weigh less. Excess weight endangers your heart, kidneys. So no matter what you have tried before, get DIATRON and prove to yourself what it can do. DIATRON is sold on this GUARANTEE: You must lose weight with the first package you use or the package cost you nothing. Just return the bottle to your druggist and get your money back. DIATRON costs \$3.00 and is sold with this strict money back guarantee by:

### Lawn Mowing Time Coming Up !!

Are you using equipment or appliances powered with a Briggs & Stratton, Clinton or Lawn Boy engine? — If so, here's a suggestion. Whenever you need any kind of engine service, call Cameron Auto Supply, the factory appointed Briggs & Stratton, Clinton and Lawn Boy sales and service agency in Cameron. They can make any checkup, adjustment, or overhaul you want and you'll be pleased with their service. Cameron Auto Supply carries a complete stock of Briggs & Stratton, Clinton and Lawn Boy replacement parts. They use special factory approved tools — and the mechanics are factory trained. All work is guaranteed and prices are reasonable. Don't have your repairs done by inexperienced hands. To keep your Briggs & Stratton, Clinton or Lawn Boy engine in top running condition, take it to Cameron Auto Supply on the square.

**Cameron Auto Supply**

On The Square

Cameron, Texas

department to conduct a Subversive Activities Control School, the first of its kind to ever be held in this country. This school, originally designed for the training of its own personnel, was expanded to invite certain local law enforcement agencies to enroll specially selected men. Thus, several of our police departments now have personnel trained in this type of police work.

It must be realized that Texas is of strategic importance in any defense measure. It is constantly expanding industrially, militarily, and it is an international border area. It must further be recognized that Communism, though not the only subversive factor, is the enemy that constitutes an immediate threat.

Tightly organized and disciplined, Communism is allied with a foreign and hostile power; a power that has found that through the communist movement, it does not have to rely upon those of its own nationality to undermine its enemies. In all countries its followers are constantly schooled into a politically and socially perverted frame of mind.

Our constitution provides us with the means of peacefully and legally bringing about any revolutionary changes desired by the intelligent will of the people. It provides safeguards against changes desired by the totalitarian and tyrannical minded minority. But these safeguards are futile if the people do not understand and cooperate with the agencies created to secure these safeguards. Help them before the explosion.

### Farm Bureau Prexy Denies Favoring Flexible Supports

The president of the Texas Farm Bureau has branded as an "inexcusable misstatement of facts" a charge that he testified before the Senate Agriculture Committee in favor of flexible price supports.

J. Walter Hammond made the statement in a letter to Ernest Joiner, editor of The Ralls (Crosby County) Banner. Joiner had charged in his paper that Hammond had double-crossed Texas Farm Bureau members by testifying in favor of flexible price supports in Washington.

Hammond emphatically denied this. "Had you bothered to check the Senate Agriculture Committee records, which are public property, you would have known that I did not testify as you so stated in your column," Hammond said in his letter to the West Texas editor.

The Texas Farm Bureau leader told Joiner that "The real tragedy of your prevarication is that you have apparently fallen into the hands of those who would like to set farmer against farmer. This is the old technique of 'divide and conquer.'"

Hammond further stated that regardless of what farm organization farmers belong to, it is important for them "to think for themselves, using facts, instead of blindly following some rabble-rouser whose chief concern is increased circulation instead of increased farm income."

Buying debeaked chicks for boiler production has become an increasingly popular practice. Advantages: prevents feather picking and cannibalism, live market grades are better and some feed may be saved.

TRADE IN CAMERON

SHOWN ABOVE is Harry Jersig left receiving from Bill Slater the beautiful 22 inch stein presented at a recent meeting of Lone Star Brewing Distributors.

In addition to all distributors names, the following sentiment was engraved on the exquisite Stein: "The faithful leadership of Harry D. Jersig, President, has spirited the growth and success of the Lone Star Brewing Company. This stein is presented in grateful recognition and appreciation of 16 years of outstanding Lone Star Beer Distributors of Texas".

Purchase of the stein was made possible by the Lone Star Beer Distributors, at a cost of \$2,178.75.

Lincoln Mondrik of Cameron is Distributor in this area.

### Strengthening The Foundations

The Hoover Commission found that the federal government operates about 3,000 business type enterprises, many in direct competition with private enterprise. It recommends that the government get out of 1,000 of these enterprises, and states that many of the goods and services produced can be obtained cheaper from tax paying private business.

The list of government businesses runs an astonishingly wide gamut — from ice cream freezing

plants to electric systems; from garden nurseries to railroads; from a mail bag factory to banks; from a fertilizer plant to steamship lines. In each case the taxpayers are the losers in three ways: first, the tax-exemptions of government businesses increase everyone else's share of government costs; second, capital investment for the enterprises adds directly or indirectly to the national debt and increases the interest payments which are part of the tax burden; and third, hidden costs and losses help swell the

total and also add to the debt and the interest.

A point made by Herbert Hoover himself should guide the thinking of the Administration, the Congress, and the general public toward the Commission's reports. He said: "Our job is to show a safe road to a balanced budget. But over and above even that many of these reports spell out ways to strengthen the foundations of the Republic."

In its 75 years of life, the American Red Cross has expended 203 million dollars for aid to victims of domestic disasters in approximately 6,000 relief operations.

### "Interposition" Unrealistic To Women Demos

"When Governor Shivers thrust his 'Interposition' into Texas politics as a dominant issue in the precinct conventions, the Texas Democratic Women's State Committee decided to offer a more realistic issue facing frankly the bold corruption in government both in Austin and Washington."

Mrs. Jud Collier, Chairman of the Committee explained that the resolution passed by the meeting in Amarillo, embodied that issue. Here is the resolution:

Whereas the unfolding story of corruption in our State and Federal governments is so horrifying to decent, honest citizens that confusion and suspicion cloud the issues of the day; and Whereas officials in high places have resorted to percentages to minimize the bribery and stealing by officials; and Whereas the grand juries and courts are dealing most leniently with culprits taken in guilt; and

Whereas the choice of the Democratic National Convention will probably be the next President of the United States which makes the selection of delegates to that Convention a matter of high political importance; therefore be it

Resolved that the precinct conventions be requested to instruct their delegates to work for a delegation to Chicago of plain, honest men and women, none of whom occupy official position in either State or Federal governments; and all of whom shall be of known integrity.

"The disgraceful, unscrupulous effort to stir up racial trouble in order to divert attention from the Veterans land scandals, the insurance scandals, the handsome gifts to persons in office and the neglect of public business in favor of Hollywood and other entertaining ventures extends to both the May and July conventions and is designed to create great emotional disturbances. We think our resolution is the answer". Mrs. Collier stated.

### Are All Cold Remedies Alike?

No! For example, 666 is the wide-activity medicine, which combines 4 of the most effective, widely-prescribed drugs known, to relieve colds, influenza, fever, and all other colds. 666 is more potent and gives positive, dramatic, rapid relief from all kinds of colds. That's why 666 is unsurpassed in effectiveness. Try it.

No other cold remedy can match 666 liquid or 666 Cold Tablets. **666**

**CARD OF APPRECIATION**  
We want to thank Dr. E. O. Smith and the staff of nurses at St. Edwards Hospital for their kindness and tender care during the time that I (Marshall Weems) was a patient. Your attention and help will always be appreciated. To all our friends and neighbors who helped us at this time, we are also grateful.  
Mr. and Mrs. Marshall Weems and family

Atomic science is being used in trying to find how some insects are able to develop resistance to poisonous insecticides. Radioactive tracers reveal how some insects are able to consume poisons and change them into relatively harmless chemicals inside their bodies.

Some 65 million Americans who get sick are cared for at home

every year by Red Cross trained home nurses.

Two thousand hospitals received from Red Cross their total supply of blood used during the 1954-55 year.

## A Performance Sensation... A Fashion First!

There's an all-new way to measure automobile performance—and that's to measure it against Pontiac!

For Pontiac performance outstrips in a breeze any other on the road. And it didn't just happen! Pontiac engineers started from scratch with a brand-new Strato-Streak V-8 engine.

Then they added another triumph, the all-new Strato-Flight Hydra-Matic\* especially engineered to work as a super-efficient team with Strato-Streak power!

And what a team it is! There's the blazing "go" of 227 h.p. in the most modern, high-compression, high-torque engine you can buy!

There's the incredible smoothness of Strato-Flight Hydra-Matic's liquid coupling and the instant, positive action of its gears.

No wonder they're calling Pontiac America's No. 1 spine-tingler! You will, too, when you see how it tames traffic and shrinks the miles.

Just as forward looking as the engineers, Pontiac designers set an equally new trend in styling... obviously branded with the stamp of the future.

Surprisingly, all this one-of-a-kind performance and style is priced well within the reach of any new-car buyer. We invite you to come in soon for the facts.

\*An extra-cost option.

You can actually buy a big, glamorous Pontiac 360 for less than you would pay for 43 models of the low-priced three!

**BLOOD** . . . when needed for people who live in our county. He said that when people need blood they can only use human blood, which if not donated through the Red Cross program must come from commercial sources. This is often difficult to obtain and expensive, whereas the blood enter provides blood on a moment's notice, free of charge, except for a nominal hospital charge for actual administration. Last year alone over \$15,000 worth of blood was given by Red Cross to people needing it.

Moseley also pointed out that anyone in good health, between the ages of 21 and 50 can give blood. Persons 18 years of age can give with parents permission. A person may give as often as every eight weeks, but no more than 5 times a year, according to medical authorities.

The giving of blood is almost painless. It actually doesn't hurt any more than a mosquito bite. There are no harmful after effects. Some people actually feel better after a donation. Others feel slightly tired for a short while but by drinking fluids blood volume is replaced within 2 to 3 hours.

In an effort to enable all who want to donate a pint of blood all employers are being requested to grant employees time off, approximately an hour, to donate.

**YOE TRACK** . . . feet, 7 1/2 inches. The record is 21 feet, 6 inches.

Beard of Thorndale broke his high hurdles record in the preliminaries with a time of 14.1 seconds. That is the second best time posted by a high school runner in the state this year. He set a Cameron relay record last year with a time of 14.9.

10-yard dash: 1. Poole, Weimar 2. Pierce, Port Arthur. 3. Lipscomb, Killeen. 4. Cranford, Temple. Time 10-2.

220-yard dash: Poole, 2. Pierce, 3. Lipscomb. 4. Crawford, Waco. Time, 21.9 (tied record).

440-yard dash: 1. Smith, Port Arthur. 2. Cranford, Waco. 3. Herington, Port Arthur. 4. Saxon, Marlin. Time 58.8 (new record).

880-yard run: 1. Kirkpatrick, Pt. Arthur. 2. Shook, Port Arthur. 3. Mauldin, Bryan. 4. Griffin, Killeen. Time, 2:03.9.

440 relay: 1. Port Arthur (Pierce, Watler, Colvin, Davis). 2. Temple (Hoover, Beseler, Walker, Time, 44.6 (new record).

Mile run: 1. Walker, Port Arthur. 2. Overall, Killeen. 3. Jimenez, Port Arthur. 4. Malansky, Bryan. Time, 4:43.3 (new record).

Mile relay: 1. Port Arthur (Kirkpatrick, Harrington, Colvin, Smith). 2. Killeen (James, Schaffer, Bates, Lipscomb). 3. Waco. 4. Bryan. Time, 3:31.5 (new record).

120 high hurdles: 1. Patterson, Waco. 2. Grubbs, Rockdale. 3. Neville, Bryan. 4. Champagne, Port Arthur. Time, 14.8 (new record).

180 Low hurdles: 1. Patterson, Waco. 2. Champagne, Port Arthur. 3. Grubbs, Rockdale. 4. Bond, McGregor. Time 19.9 (new record).

High jump: 1. (tie) Stone, McGregor; Fickle, Killeen; Dunlap, Temple. 4. (tie) Bond, McGregor; Hickson, Bryan; Matus, West. Height, 5 ft. 10 in.

Broad jump: 1. (tie) Biekle and Locklin, Thorndale. 3. Hickson, Bryan. 4. Carroll, Caldwell. Height, 10 ft., 6 in.

Pole Vault: 1. (tie) Biekle and 2. Bond, McGregor. 3. Stone, McGregor. 4. Heardon, Mexia. Distance 20 ft. 7 1/2 inches.

Discus: Cline, Belton. 2. Nichols West. 3. Branthum, Moody. 4. Mocha, Taylor. Distance, 149 ft. (new record).

Shot put: 1. Cline, Belton. 2. Landrum, Port Arthur. 3. Nichols West. 4. Branthum, Moody. Distance, 14 ft., 8 in. (new record).

## WEEMS

time to improve our lovely little city so as to make it more favorable to new industries and do it in a practical manner within the capabilities of our community. I would like to extend the water system to our outlying districts to provide better fire protection and, therefore, lower insurance rates for the people of our city. I would like to extend and improve our sewer system to safeguard the health of our people. We need more paved streets. With a lot of hard work it can be done slowly but economically without saddling our town with prohibitive taxes. For these reasons I am asking for your support in the coming election April 3rd.

Yours sincerely,

Robert Weems

Paid Political Announcement

**SCHILLER** . . . pect to enforce his will upon anyone.

Following is his statement in full under the title.

**PROGRESS WITHOUT WASTE TO MY FELLOW CITIZENS:**

Quite a number of citizens of Cameron requested me to become a candidate for Mayor. They felt that my six years experience as a member of the City Council plus my consistent efforts toward the progress of this community would qualify me for this high office.

I am not a candidate for reelection to the City Council and the place that I am vacating will be filled by the Councilman you elect. I have no axes to grind so do not expect or intend to impose my will upon anyone. I have endeavored at all times to understand the other members of our Council and now feel that they will willingly work with me for Cameron's best interests.

I attended public school here and now have three daughters enrolled in our schools. Cameron has always been good to me, and I feel privileged to live here with you. Certainly I have an obligation to this community that I will never be able to repay in full, and I feel it my duty to offer myself for such service that will be of benefit to my home town.

It is my hope that I have so conducted myself in the past that I will merit your vote for the office of Mayor on April 3.

Voting is an important privilege that is not enjoyed by the people of so many other countries. Vote for the candidate of your choice, but please vote.

Sincerely your friend,

Milton J. Schiller

Paid Political Announcement

## PEEPS

Unless the Congress and the citizens see their way clear to finance the remaining dams of the Brazos Valley Authority. Then with a solid farm program and no destructive floods, perhaps the bottom land farmer will live up to Mr. Walker's myth.

The last paragraph followed a recapitulation of all the floods which have wiped out maturing crops in these lowlands. The letter is signed by Mrs. Marion B. Travis, Rt. 1, Farwell, Texas.

Mrs. Travis asks "Indeed, if increasing the valuation of land is not raising taxes, what can it be called? This was in response to the quotation of Dixie Walker last week when he suggested that EQUALIZATION would offset the need for increased taxes.

While the ways and means for building a new courthouse in Milam County may be vague and undetermined there is one thing for sure, according to engineers reports the county needs more than 5,000 more square feet of floor space to house the county government.

"Deaky Dean" White tells that he ain't fooling when he says that on April 1 the 77 Drive In will be open every day in the week.

Postmaster John Hays was a "Scout" at the Yoe Track Meet Saturday. He was looking for some FAST men to carry the mail.

Joyce Nicholson did an encore at the one-act plays Friday night. In the audience when she got the announcement of being the best actress in 24-A tournament for the part of Ann, a tearful Miss who was much in love with an apparently indifferent suitor, and still in character, she "Exploded" again.

"Whadda Ya Want. BLOOD?"

This was a patent question among the boys in the service, when the "Looney" passed out orders like "Wear FULL PACKS for review" or something as fantastic. Well blood is EXACTLY what the Red Cross wants. TODAY that is. Another story about a "Dumb Indian" in this paper, quotes the Indian as saying, after having given more than a pint of blood to very sick little boy. It was given me FREE why should I ask money for it? That's a wonderful point isn't it?

Got a curt note typed on last week's paper with an arrow pointing

to a mistaken headline reading BLOODMOBILE WILL BE HERE TODAY. "This is rather confusing who seems to be responsible for this kind of a set up . . . blah blah blah." It was unsigned is the reason I don't quote it all. My reaction is that while doctors BURY their mistakes and radio mistakes float off into thin air, ministers quite often make their mistakes before a congregation that isn't fully aware of what is being said the NEWSPAPER mistakes like the NEWS and the ADVERTISEMENTS are there for all to read (and pick to pieces) in their leisure. The newspaper does not cater to the "Captive" audience. People BUY a newspaper to read at their leisure. If some get pleasure out of picking out errors then we believe in letting them HAVE FUN.

We have one and two line fillers. These are lines like USE THE CLASSIFIEDS. Go To Church Sunday. Shop In Cameron And Save. One week, I'll never forget the error, or WAS IT? It read GO TO CHURCH SUNDAY AND SAVE.

To err is human. now as human to human come to see us sometime.

APOB No. 5 Clinton Simon Quin with whom the straight laced dig-

nity of the cloth is a myth and "For the birds" was at All Saints little ole church Sunday. The man has a sermon in every gag, a parable in every jibe. If ever it was proved that religion can be full of fun Clinton Simon (he likes his Christian name) proves it. He feels he can't talk to some one who is "a way out yonder" so he brings them up close with most any kind of remark imaginable. If he or she is haughty C. S. brings them way down on his level. There is no place in his kind of religion for haughtiness. In the pulpit Sunday he said the lack of the FOURTH R is the reason for the juvenile problem, which in reality is a parent problem. That R is religion. APOB No. 5 he inscribed in a bible. I might guess that means "A Pore Old Bishop" but someone else said it meant "A Passed Out Bishop" and the fifth oldest in the church. He is now returning to the business of touring the diocese. He is determined to be about his Father's business.

If the LION'S CLUB didn't get to call on you and your house Wednesday well they just didn't have enough peddlers. The success was almost fantastic. In a few short hours with a few short men they sold \$737.75 worth of the blind men's merchandise and earned \$180 or thereabouts for the

## Yoe Future Homemakers Again Have Area Vice President

Rita Reid of Cameron became Third Vice President at the Area 8 meet of Future Homemakers Saturday at Waco Hall Baylor University. Rose Matysastik was Second Vice President of the area in 1955.

The Yoe Future Homemakers left the school at 7:30 a.m. on the school bus driven by Mr. Lucas. Mrs. Albert Edmonds, club sponsor and Mrs. Albert Horstmann accompanied the 30 girls.

Friday afternoon several of the girls went with Mrs. W. T. Whatley to attend a meeting to elect the officers and then on Saturday they attended the official business meeting with the entire group.

The Baylor R.O.T.C. band entertained following registration at 9:30. Then following the invocation, presentation of the color guard and the American Flag the

first general session was formerly opened by Kay Talley, area president. Greetings and welcomes were given by representatives of Baylor University. Waco schools and the Area 8 Mother, Mrs. O. D. Talley. Entertainment was furnished throughout the meeting by an all girl band from Athens called the Moonbeams. A singing quartette called the "Silverstone twins from Hillsboro and "sing songs" were also enjoyed.

Miss Helen Howard of Baylor University spoke on "Success and It's Characteristics" and Mrs. M. L. Brockette of Hillsboro told of "Youth's Part In The White House Conference."

Jean Schepers, state first vice president gave a glowing report on her experiences at the national on her experiences at the onntla-F.H.A. meeting at Ames Iowa.

## Mrs. R. L. Batte Sr. Has Number Of Guests Recently

Mrs. R. L. Batte Sr. had several visitors recently with one visit coming from her brother Dwight McAnally of Dallas who dropped in Tuesday night. J. Don Johnson of Texarkana a cousin, spending two days and Dr. Oliver Rutherford, his wife and little girl spending the week end. Dr. Rutherford

is in the Airforce. Mrs. Rutherford is the former Tommie Bell Fortner of Ripley Tennessee and a relative of the late Mr. R. L. Batte Sr.

## Last Rites For Mrs. J. W. Wilson Held Here Wednesday

Mrs. J. W. Wilson, 80 died at 2:30 a.m. Tuesday in an Austin hospital. She had been a longtime resident of Cameron.

She is survived by her husband J. W. Wilson of Cameron; two sons, Leeman Wilson of Cameron, Richard Wilson of New Orleans; three daughters, Mrs. O. D. Renegar of Temple, Mrs. Bryant Henson of New Orleans, Mrs. Charles Knipp of Galveston; one sister Mrs. Carrie Hammons of Houston and one brother Willie Reed of Lexington, Texas; eleven grandchildren and six great grandchildren.

Funeral Services were held at 2 p.m. Wednesday March 28 at the Chapel of Green's Funeral Home with Reverend E. J. Davis, pastor of the First Methodist Church in charge. Burial was in Oak Hill Cemetery.

Miss Flo Mae Pawelka, a Cameron Herald employee is suffering a case of laringitis this week.

Sunday School at 10 a.m. Morn-  
ing worship at 11. BTU at 7:45, fol-  
lowed by evening worship. Prayer  
meeting Wednesday at 8 p.m.

## Talented "Dumb Indian" Paints "Mental Mural" For Milanoans

Talented "Dumb Indian" 2-24 ...  
The Best Things In Life Are Free" was the burden of the "Talk" given by Sioux Chief White feather at the Milano Baptist Church Sunday Morning.

Facetiously referring to his own heart condition which was enlarged as a result of a stroke suffered by the Christian Indian. "I have the distinction of having one of the largest hearts on record," the speaker joked as he read from Corinthians two-six and eleven.

The twin gifts of life and of eternal life were pointed out by the devout Christian as being two of the most wonderful gifts which are free. "I am ready to live and I am ready to go" the ailing man declared. Asked why he felt that he should keep his appointment with his friend Walter J. Fox at Milano the minister and former opera singer said that "I have prayed to my Lord to take me home to him, and I know of nothing better than for my friend, Reverend Fox, to send a wire stating that I dropped dead in his pulpit and then send me back to New York where I have a burial plot.

It was about twenty-one years ago, the minister related, when I quit the grand opera for full time service to the Lord. One of my contemporaries, he said, who admonished me "Oh you are sooo young to be wasting a good voice like that." Not long ago that lady who is fat and fiftyish, and I knew couldn't renew her contract with opera companies, told me that she too was going into the field of Christian Service, expecting a compliment. The unimpressed Christian Indian told her that if she sang he didn't want to hear her. Then he delivered the final blow to her vanity with "When the world no longer wants you then you offer the garbage to the Lord." But, he added by way of encouragement, He will accept you and elaborate the point with examples of the Lord accepting anyone any time. What the world thinks of you has nothing at all to do with it.

The former opera singer once toured to Italy. His compensation was \$1,500 each performance. A choir boy scoffed at his singing and ridiculed the American economy which allowed a man with such a voice to earn such fabulous wages. As a result of this experience and after Whitefeather had overcome his first impulses he practiced as the choir boy, who made \$50 per week, had prompted him the Italian audience lauded him as the "Caruso Indiana." Whitefeather personally paid the youngster \$50 more per week.

These stories, told in conversational tones, made the talk even more picturesque. The Indian "Painter" "Painter of Word Pictures" conjured pictures in the minds of his hearers which many will carry there for years.

Danny was a little boy he knew while in the hospital at Tuscon, Arizona. Danny was a Papago Indian. Whitefeather was the only Sioux in the hospital. Danny concluded after early conversations

## Most Of Recent Recruits Were 18 Says Schwartz

A total of 5,982 Texans registered for the draft at the state's 137 local boards during February, Colonel Morris S. Schwartz, state Selective Service director, said Wednesday.

This brings the total number of men on draft board lists to more than 936,000. This is the number of men registering under the federal law since August, 1948. The current draft law went into effect that year.

Nearly all these men signing up in February were registered on their 18th birthday, or within five days after their 18th birthday, as the law requires.

Currently, no one is drafted in Texas under the age of 21, except volunteers or draft delinquents. The law, however, makes registration compulsory at age 18.

All males born since August 30, 1922, have had a legal obligation to register since August, 1948, except those not yet 18. Failure to be registered as required by law can mean a fine of \$10,000, five years in prison, or both.

No matter whether he is at home or not, a youth on his 18th birthday, or within the five-day legal limit following his birthday, must go to the nearest board and register.

By giving his home address, the young man can have his registration card sent to his home board.

that Whitefeather was a "Dumb Indian". Later however when asked what he wanted to be when he grew up Danny said "I want to be a dumb Indian like you Whitefeather."

Whitefeather pointed out in his lesson for little Danny that the things in life which are GOOD and are FREE are 1. Water 2. Air 3. Heat 4. Land 5. Blood and 6. Life both here and hereafter. "As best my notes serve me-"

He told of a little boy who was in the hospital. His parents were distracted because no one had type "O" blood. I offered to have them test my blood. It matched and I gave more than a pint of blood directly into the veins of that little white boy. He lived, contrary to earlier expectations and later the father said that the little boy who was now a young man was "hard to get along with for a while" because he claimed to be THE ONLY AMERICAN in the family. He had Indian blood. The father asked what he owed me. I told him that he owed me nothing. The blood was FREE to me. I didn't earn it and so it was free to the little boy.

Whitefeather left the congregation with the thought that "It is wonderful to be ready to live and ready to die". He painted at least one other picture in telling of a man who had kept a garden for his departed master for 15 years. Someone remarked "You keep the garden as though you expect your master to return TOMORROW." The gardener abjured "No, I keep it as though he would return TODAY." He left the congregation then with a "Mental Mural" to consider at their leisure and to take from it the lessons which he, a self-styled "Dumb Indian" has drawn from a full life.

Red Cross provided emergency mass care to an average of one disaster victim every six minutes during the past year.

Go To Church On Sunday

## Third Of Draftees Are Volunteers In Texas Says Head

During the past three months, 35 per cent of the men inducted by Texas draft boards were volunteers, Colonel Morris S. Schwartz, state Selective Service director, said Friday.

During the period of December, January, and February, 1,549 men were inducted into the uniformed services, 542 volunteering for induction, the remaining 1,007 being inducted in order of age.

Almost half the men who went in were in their 23rd year.

Seven hundred and twenty-seven (or 47 per cent) were 23 years of age, 604 (or 38 per cent) were below age 23, and 218 (or 14 per cent) were above age 23.

## Ask For '56 Texas Highway Map Card At License Bureau

The new 1956 edition of the Official Highway Travel Map is now available, D. C. Greer, State Highway Engineer, announced in Austin.

The map has many new features and contains a wealth of information on Texas, Greer said. Most of the topographical relief was removed from the map last year so that more essential information can be read easily and quickly. The growth of the Texas Highway System at the rate of about 3,000 miles a year has made it necessary to gradually remove some of the less important information to make room for the increased mileage, he said.

In addition to the highways and the mileages between various points, the Travel Map shows state parks with recreational facilities, historical state parks, road side parks, altitudes, and the Highway Travel Information Bureaus. The pictorial side of the map features scenes of general interest both to Texans and out-of-state tourists, with every section of the state represented.

The Austin office of the High-

way Department, the 25 district offices, and the seven Travel Information Bureaus near the state's borders all have maps available for distribution. Special map cards for requesting a map may be obtained at the tax collector's office when license plates

are purchased.

The USDA has purchased 137,177,450 pounds of pork since last November when the purchasing program was commenced.

## Tame your Lion

with  
his  
favorite  
lamb

cooked

# ELECTRIC, of course!

Note that we said, "Cooked electric." That's important, for you can rely absolutely on your electric range to roast lamb or any meat just right. Measured heat is the secret. You determine cooking time and temperature by setting the dial and your electric range does the rest, accurately, automatically... maintaining the exact degree of heat you need. Yes, for cooking that's tasty, easy, and economical, rely on an electric range. Visit your electric appliance dealer tomorrow and have him show you the modern electric ranges.

Electric heat is as clean as light, so pots and pans stay shiny... kitchen walls and decorations will stay clean longer, too!

## Your Easter Ham: how to bake it, how to glaze it, how to garnish it!

**Total baking time** for your ham will depend on the kind of ham you buy: fully-cooked, uncooked, or tenderized. Most hams carry baking instructions on the wrapper.

**To glaze your ham:** 30 minutes before your ham is done, score and stud with cloves as shown. Drizzle ham with honey and over this sift brown sugar. Repeat every ten minutes until ham is a glossy brown.

**Calla Lily Garnish:** Cut thin slices from peeled turnips. Form slices into cornucopia around thin sticks of carrot. Fasten with toothpicks and drop in ice water. May be made the day before.

Choose your favorite from  
our selection of famous brands!

# TORNADO SAFETY RULES

TO KNOW WHAT TO DO WHEN A WARNING IS RECEIVED, OR A TORNADO IS OBSERVED, MAY MEAN THE DIFFERENCE BETWEEN LIFE AND DEATH!!

**I** There is no universal protection against tornadoes except caves or underground excavations. When time permits, go to a tornado cellar, cave, or underground excavation which should have an air outlet to help equalize the air pressure. It should be kept fit for use, free from water, gas, or debris; and preferably equipped with pick and shovel.

## **II If you are in open country :**

1. Move at right angles to the tornado's path. Tornadoes usually move ahead at about 25 to 40 miles per hour.
2. If there is no time to escape, lie flat in the nearest depression such as a ditch or ravine.

## **III If in a city or town :**

1. Seek inside shelter, preferably in a strongly reinforced building. STAY AWAY FROM WINDOWS!
2. In homes: The southwest corner of the basement usually offers greatest safety, particularly in frame houses. People in houses without basements should find other shelter, preferably in a storm cellar, although a depression, such as a ditch or ravine, can offer some protection. If time permits, electricity and fuel lines should be shut off. Doors and windows on the north and east sides of the house may be opened to help reduce damage to the building.
3. Standing against the inside wall on a lower floor of an office building offers some protection.

## **IV If in schools :**

1. In city areas: If school building is of strongly reinforced construction, stay inside, away from windows, remain near an inside wall on the lower floors when possible. AVOID AUDITORIUMS AND GYMNASIUMS with large, poorly-supported roofs!
2. In rural schools that do not have strongly reinforced construction, remove children and teachers to a ravine or ditch if storm shelter is not available.

## **V If in factories and industrial plants :**

On receiving a tornado warning, a lookout should be posted to keep safety officials advised of the tornado's approach. Advance preparation should be made for shutting off electrical circuits and fuel lines if the tornado approaches the plant. Workers should be moved to sections of the plant offering the greatest protection.

**VI** Keep calm! It will not help to get excited. Do not be misled by running out into streets and by turning back into the path of a tornado. Even though a warning is issued, chances of a tornado striking one's home or location are very slight. Tornadoes cover such a small zone, as a rule, that relatively only a few places in a warned area are actually hit. You should know about tornadoes through "just in case".

**VII** Keep tuned to your radio or television station for latest tornado advisory information. Do not call the Weather Bureau, except to report a tornado, as your individual request may tie up telephone lines urgently needed to receive special reports or to relay advisories to radio and television stations for dissemination to thousands in the critical area.

UNITED STATES DEPARTMENT OF COMMERCE — Weather Bureau

## Miss Margaret Angell Honored With Tea At E. Vogelsang Home

Mrs. J. D. Boedeker honored Miss Margaret Angell, bride-elect of Charles Richards, with a tea-shower from 3 p.m. to 6 p.m. on Saturday afternoon, March 24th, in the home of E. Vogelsang at 507 E. 6th, Cameron.

The guests were greeted at the door by the hostess, Mrs. Boedeker; the honoree, Miss Angell and the Mothers of the bride-elect and groom-to-be, Mrs. V. L. Angell and Mrs. Frank Richards.

Miss Margaret Angell was beautifully dressed in a rose dress of crystalline and lace and wore an orchid corsage. All other members of the house party wore carnation corsages.

Miss Ann Knipp registered the guests at the brides book. Mrs. Carroll Young of Austin served the cake squares and Mrs. Ethel Van Bibber of Waco presided at the punch bowl. The table was laid with an Irish linen tablecloth of cutwork design. The centerpiece was a beautiful blue styrofoam Easter bunny surrounded by blue net and large clusters of pink ranunculas, pink carnations and pink corn flowers and on either side of the flower bedecked bunnies were pink candles in cut-glass candle holders. From the dining room, Miss Lawrence showed the guests through the three gift rooms. Each room was decorated with Easter baskets, bunnies and spring flowers. In charge of the guest rooms were Miss Sue Scott of Austin and Miss Joyce Wallace and Miss Lawrence. Mrs. Bill Becker and Mrs. Inez Angell assisted in the serving. The bride received many beautiful gifts. Approximately 300 people either sent gifts or registered during the afternoon.

## Mrs. Payne Entertains 42 Leisure Club Saturday

Mrs. Charles Payne entertained the 42 Leisure Club at her home Saturday afternoon, March 24. High Score was Mrs. Henry McLane with Mrs. Eugene Mees second high. Mrs. A. K. Gurecky held the 84 hand.

Guests for the afternoon were Mrs. H. C. Tindall, Mrs. Eugene Mees, Mrs. Tony Vogelsang and Mrs. E. O. Schiller.

The room was decorated in the St. Patrick theme and the refreshments were Angel Charlotte Russe with whipped cream and topped with a green cherry. Pin-wheel cookies were in green and white.

Next meeting of the ladies will

## Nancy Grabein Pi Alpha Lambda Pledge At Baylor

Nancy Grabein a home economics major at Baylor University is among the spring pledges of Pi Alpha Lambda. Rushes signed their preference cards Wednesday night after which the members voted.

Nancy is the daughter of Mr. and Mrs. R. G. Grabein, 806 East 11th, Street in Cameron.

Pledges will be honored with a dinner at a Waco cafe Tuesday night after the girls take the pledge oath.

Mr. and Mrs. Joe Rowland and Diane of Lake Jackson, J. H. Rowland of Beaumont visited their mother, Mrs. N. H. Rowland the past weekend.

## Quilting Party Honors Mrs. Farris Of Gause

Mrs. Farris of Gause, mother of Mrs. Will Lake, was honoree at the Lake home on Wednesday, March 21 when the Community Quilting Club was entertained.

The home was decorated with spring flowers and wisteria. Some of the guests were entertained by games of 42 while others did handwork and conversed.

The honoree was showered with gifts and cards of friendship and love. Mrs. Lake received useful hostess gifts. The presentation was carried out in "Queen For A Day" style with much merriment.

A delicious covered dish lunch was served the 25 present. They were: Mr. and Mrs. Alex Henderson, Mr. and Mrs. Willie Phipps, Mr. and Mrs. Melvin Weems, Mr. and Mrs. Charles Russell, Mr. and Mrs. J. P. Harwell, Mr. and Mrs. Roy Weems, Mr. and Mrs. J. H. Reaves, and Mesdames John Thweatt, Frank Sherrill, Mabel Terry, Mamie Dobbins, Minnie Sheffield, Leila Janeway, Leila Thweatt, Inez Burnett, Miss Katie Nesbitt and the host and hostess, Mr. and Mrs. Lake.

No United States man-of-war has ever mutinied or been in the hands of mutineers, while in other navies whole squadrons and fleets have mutinied.

## County Government Subject Of Elex C Of C Meet Today

Milam County officials have received a special invitation from the East Texas Chamber of Commerce to attend their annual Government Institute scheduled to be held in Longview March 29-30.

Judge Charlie Smith, Jr., County Auditor Conn R. Isaacs and County Commissioners C. S. Raney, W. W. Markham, Byron Neal and C. L. Yount have been invited to attend the two-day meeting.

Representatives from throughout the 71-county area served by the East Texas Chamber are expected to convene for the Institute, according to chamber officials.

Charles F. Hawn of Athens, president of the regional chamber said: "The object of our annual Government Institute is to give county officials an opportunity to discuss various county problems. Our speakers for the occasion will include some outstanding leaders in the field of county government and we believe this year's Institute will be one of the most outstanding we have ever held."

## Lone Star Gas Wins Four First Places In Safety Contest

Lone Star Gas Company and its wholly owned subsidiary, Lone Star Producing Company, won four first places in contests sponsored by the Texas Safety Association in 1955. A. W. Breeland, Lone Star assistant personnel director in charge of safety, has announced.

The awards are to be presented March 27, at the Texas Safety Association Convention at the Baker Hotel in Dallas.

Lone Star's Transmission Division placed first in two divisions of competition. They were motor vehicle fleet safety and the employee injury section.

First in the Association's division of Exploration of Oil and Gas industrial safety was awarded to Lone Star's Exploration and Gas Supply Division. This was the second year in a row this department has won first place in this contest.

The other first place was won by Lone Star Producing Company's gasoline plants in the manufacture of Natural Gasoline industrial safety division.

The first American warship constructed of iron to use steam was the MICHIGAN built in 1842.

## News From Yarrellton

Mr. and Mrs. John Lott spent the weekend in San Antonio with relatives.

Mr. and Mrs. Joe Richardson and niece Melba Haggerdy of Sweeney Texas were Sunday visitors in the home of Mr. and Mrs. Bill McCall and family, also Mr. and Mrs. W. A. Wilkerson of Cameron.

OUR SOIL ★ OUR STRENGTH

An average of 3700 pounds of maize per acre on conservation treated land and 2200 pounds on untreated land in 1955 is the experience of district cooperator W. W. Chervenka at New Colony.

Maize following hubam sweet clover and Austrian winter peas in a three year rotation produced this good yield at the same time the average yield in the neighborhood on untreated land was around 2200 pounds.

Chervenka harvests seed each yr. from his soil improving sweet clover. He is sold out of seed now. Neighbors who have watched what is happening to crop yields on Chervenka's farm have bought all his seed. Among those who recently bought seed are Frank Shinkir, I. J. Baca, W. W. Farmer, Raymond Kovar, Adolph Milon, Alvin Shiller, Wiley Chervenka and Milton Zavodny.

Floyd Jackson, cooperator in the Youngsfort Community has started on his range improvement program. His first job was to clear his range land of cedar and brush which he is doing now. The next job is developing a cover of grass. Since most of Jackson's range is in poor condition as far as grasses are concerned, he plans to reseed most of it. Due to the high cost of seed Jackson has seeded a 10 acre field to King Ranch bluestem and peas, to harvest seed produced on this seed plot to reseed the rest of his range land.

Through proper management and reseeding, Jackson hopes to develop a cover of grass as soon as possible to protect his range from soil and water loss and at the same time have grass for his livestock.

## Letters Encourage Poage - If Signed

Our office gets an average of about 70 letters per day. Of course, most of them are properly addressed and properly signed but a considerable number are not. We are always flattered when the Post Office is able to deliver a letter simply addressed to "W. R. Poage - Washington, D. C.", but we know that Washington is a very big city and it is utterly unreasonable to expect the downtown postal clerks to know that W. R. Poage is a member of Congress, but if you add that much or even "M.C." the letter will come to the Capitol and will then be delivered. Some letters are properly addressed to me but have no name signed. I am not referring to the typical anonymous letter where the writer is ashamed to sign his own name. We throw those away. But I am concerned about those letters which are evidently meant to be signed but to which no signature and return has been affixed, apparently by oversight. One more thing: Please put your name and return address on your letter itself. In opening a volume of mail we simply cannot always keep the letter and the envelope in which it came together. We value your letters. We want to answer them. It will help us to do so if you will note the above suggestions.

With best wishes, I am  
Your Congressman,  
"W. R. Poage"

TRADE IN CAMERON

## Jistel Recognized For Leadership At Naval Boot Camp

Adolph B. Jistel, son of Mr. and Mrs. Adolph L. Jistel of Cameron, Tex., has been appointed squad leader of his recruit company at the Great Lakes Naval Training Center.

As a recruit petty officer he will wear a miniature rating insignia as a badge of authority during the remainder of his nine weeks of "Boot Camp".

He was chosen for the position in recognition of leadership qualities displayed while undergoing recruit training. He is scheduled to graduate March 24.

At the navy guided missile test range: Point Mugu California, there is a huge \$3,000,000 electronic marvel that can perform approximately six million mathematical operations in five minutes, problems that would take an average mathematician 4 years to complete.

# Personals

THE CURTAIN GOES UP is the theme of the seventh Annual Flower Show to be presented by the Bryan Garden Club. The public is cordially invited to attend the show to be held Thursday, April 5, from 4:00 to 8:30 p.m. at the Methodist Fellowship Hall.

Before World War II the U. S. Navy had had but four fleet actions, but in each one it captured and destroyed every enemy ship.

The Navy icebreaker USS BURTON ISLAND (AGBI) and the U. S. Coast Guard icebreaker, the NORTHWIND (WAGB 282) became the first ships to cross the previously unconquered McClure Strait, linking the Atlantic with the Pacific Ocean.

Weekend guests of Mr. and Mrs. August Kunz were Mr. and Mrs. J. C. Stuewe of Galveston, Mrs. Ray Rieke, Donald and Betty Jean also of Galveston and Mr. and Mrs. Hermann Polzer of Temple.

Mrs. Henry McLane and Mrs. Jim Crouch had their sister Mrs. Gene Muse of Edinburg visiting them recently with Mrs. A. J. Harden and Mrs. Allen Barton also of Edinburg and Mrs. Ben Tuckett of Harlingen accompanying Mrs. Muse.

1st. Lt. William T. Hanes, Jr., his wife and baby son spent last week end in the home of his parents, Mr. and Mrs. W. T. Hanes in Cameron. Lt. Hanes and family recently returned from a stay in

North Africa. Lt. Hanes is now stationed at Ellington AFB, Texas. Other guests in the Hanes home were Mrs. Hanes' sister and brother-in-law, Mr. and Mrs. Lynn Brice from Sulphur Springs, Texas.

Mrs. Leo Stecker of Cameron visited in Dallas in the home of her son Lee Roy Stecker during and after the birth of 8 pound and STECKER. On her return trip to Cameron Mrs. Leo Stecker will visit in Waco with Edwin Stecker.

## CARD OF THANKS

We wish to express our appreciation to everyone who in any way helped in our time of sorrow. We especially wish to thank those who brought food and the many floral offerings and may the Lord bless and help every one of you in time of sorrow.

Mrs. A. W. Buffington and family.

# Shop SAFEWAY

Happy Easter! . . . and happy eating, too . . . with a festive table laden with the season's finest, from Safeway! As your Easter dinner's star attraction choose a magnificent ham, rosy-pink and tender. Surround it with succulent fruits and luscious vegetables . . . the best of field and orchard.

And, of course, the eggs! . . . fresh as dawn, snowy-white, just begging to be colored! To help you plan your Easter feast we've assembled all these traditional Easter foods—plus some taste surprises we think you'll like . . . values that will make your Easter dinner perfect in appearance, eating enjoyment, convenience and economy.

## LOOK! NEW WAYS TO BRIGHTEN YOUR EASTER TABLE:

### 1 Easter Bunny Salad

Mold fruited lemon gelatine in 9" round pan. Cut 4 faces with round cutter and arrange on lettuce cups lined with cottage cheese. Cut 8 ears. Eyes are cherry halves; noses are candy hearts; whiskers are coconut.

### 2 Sweet Potato Crunch

Add a few thin slices of unpeeled orange to boiled, peeled sweet potatoes. Top generously with coarsely chopped peanuts. Pour syrup over all and bake according to your favorite recipe.

### 3 Mustard Cheese Sauce

(Fine on asparagus, and broccoli, too!) To 1½ cups medium white sauce add ½ cup shredded sharp cheese, 1 tbsp. prepared mustard, ½ tsp. Worcestershire sauce. Pour over asparagus, garnish with egg slices.

### 4 Walnut-Cheese Sticks

Delicious served with fruit juice or fruit cocktail. Roll pastry, cover half with shredded sharp cheese. Fold and re-roll. Cover top with chopped walnuts. Roll lightly, cut in strips, bake 'til golden.

### 5 Easter Egg Chocolate Pie

Drop spoonful of sweetened whipped cream on each wedge of pie, top with green-colored coconut. (Shake coconut in jar with drop of food coloring and water.) Fill nests with small jelly beans.

## Cameron Methodists Attend Orange Meet

Cameron Methodists were represented at the Texas Methodist Conference Woman's Society of Christian Service annual meeting held at First Methodist church here Tuesday, March 20, through Thursday, March 22.

Attending from Cameron were: Mrs. Jack W. Tumlinson, Mrs. Leeland Green, Sr.

## Nan Hubert Nominee For Sweetheart Of SWSTC Boys Society

Nan Hubert, daughter of Dr. and Mrs. J. S. Hubert, is one of three co-eds elected from an original field of nine as candidates for sweetheart of the Harris Blairs, boy's literary society at Southwest Texas State College. The winner's name will not be revealed until the sweetheart dance the first of May.

Nan, a freshman business administration major, is a nominee for Rodeo Queen in the coming Frontier Days at SWT. She is also a member of the Allie Evans Literary Society.

## Railways Plan Cost Cutting With Aluminum

Construction of two aluminum passenger trains which will weigh and cost about a third as much as conventional equipment has begun in Chicago, Illinois.

Two complete versions of Train 'K', built almost entirely of aluminum supplied by Aluminum Company of America, are under construction by the Pullman-Standard Car Manufacturing Company. One of the nine-car trains will be set on tracks at all over Yoe Station. The other will be delivered to the New York, New Haven and Hartford Railroad.

Each of the trains will use 64,000 pounds of aluminum. The entire superstructure, outer skin, and most of the underframe will be made of the light metal.

Mrs. Ed Sommers is a surgery patient at Torbett Hospital in Marlin this week.

## Mr. Jim Hefley 65, Dies Sunday Of Heart Attack

Funeral services were held for Mr. Jim Hefley, 65, at 3 p.m. on Monday, March 26 from the Mark-Burns Funeral Home.

Mr. Hefley died Sunday following a heart attack.

Services were conducted by Rev. E. J. Davis, pastor of the First Baptist Church with burial in Oak Hill Cemetery. Mr. Hefley was a veteran of world war one, having served in the Marine Corps.

Surviving are five brothers, John Hefley of Gause, W. T. Hefley of San Antonio, George of Corpus Christi, Joe of Baton Rouge, Louisiana and Tom Hefley of Austin. Five sisters: Mrs. Nora Mahon of Danbury, Conn., Miss Willie Hefley of Cameron, Mrs. Helen Tyson of Cameron, Mrs. Paul Ledbetter and Mrs. Phil Russell of Dallas.

Pallbearers were: Carl Black, John Henderson, H. H. Stedman, Frank Monroe, Bismark Horstmann, Bill McIntosh, Roy Baskin, and Roy Griffith.

## Marine Donald Mees In Engineers Takes Part In Operation

Serving with the 1st Marine Division's Engineer Battalion is Marine Pvt. Donald W. Mees, son of Mr. and Mrs. W. A. Mees of Cameron, Tex.

Before entering the service in June 1955 he graduated from Yoe High School.

He participated in operation 'Eng Fox', a three-day engineering exercise conducted at Camp Pendleton, Calif., February 27-29.

During 'Eng Fox', the engineers used helicopters for rapid movement of personnel to simulated forward areas where they destroyed road blocks and mine fields.

## Sgt. W. R. Schattle At James Connally

Staff Sergeant Walter R. Schattle, son of Mr. and Mrs. Henry J. Schattle of Cameron, Texas, has recently been transferred to James Connally Air Force Base, Texas, for duty as Aircraft Repairman in the 356th Field Maintenance Squadron, 356th Aircraft Observer Training Wing.

Sergeant Schattle has been in the Air Force since - and prior to his assignment here was stationed at Albuquerque, N.M.

Sergeant Schattle is married to the former Nita E. Blair, Amherst, Texas. They are the parents of one child.

## Paid Flight Course Open At Rockdale For Air Reserves

The Austin Air Reserve Center announces the opening of a Reserve Airman Specialized Training Flight in Rockdale. It will be a paid flight and open to men holding the grade of Airman First Class and above. The courses will include Leadership and Personnel management.

Anyone interested in joining the flight should contact Victor G. Frysinger, P. O. Box 883, Phone H.L. 6-3279, Rockdale.

## Measles, Chickenpox Main Milam Maladys During Past Week

There were 24 cases of measles and 34 of chickenpox reported in Milam County for week ending March 24.

Seven cases of 'Flu' and 7 of mumps were also reported.

## Texas Clay Bricks A Growing Industry

Texas has a variety of natural resources for the manufacture of clay bricks in nearly all parts of the state. And next week, The Humble Company's TV program, Texas in Review, will feature this growing industry.

The feature will start with a visit to a Franciscan Monastery near El Paso where clay and straw are used to make bricks by hand. Other films will show the most modern processes being used by plants at Henderson, Fort Worth and Elgin.

There will also be films of the San Angelo Geological Society on a two-day field trip from Buchanan Dam to Del Rio.

Go To Church On Sunday

## Farm Beef Profits Drop Faster Than Retail Prices

During the last quarter of 1955, the farm value of choice grade beef was down an average of nine cents a pound, while the retail price dropped only 3.5 cents a pound.

A beef study by the U. S. Department of Agriculture shows that the difference between what the farmer receives for U. S. choice grade beef on the hoof and what the consumer pays for the meat has fluctuated widely during the seven years 1949-1955.

Retail prices remained relatively stable during the latter half of 1954 when farm cattle prices were rising, and during 1955 when farm prices generally declined. Marketing margins, therefore,

narrowed substantially below the long-run average in the latter half of 1954. In 1951, however, they widened markedly, exceeding the high levels of 1953. The comparisons are based on the price of a pound of beef at retail and the price of its equivalent weight of 2.16 pounds in the live animal.

Marketing margin is the difference in price received by the livestock producer and that paid by the consumer.

During 1955, the spread between the farm marketing price and the retail marketing price was about five cents a retail pound more than at the start of the seven year period. In the last quarter of 1955, the margin was 27 percent wider than in the same quarter of 1954.

A series of studies is now under way in the Department of Agriculture dealing with the cost of

processing and distributing food. This particular report, Beef Marketing Margins and Costs, publication 710, analyzes the trend of prices and margins for U. S. choice grade beef at different stages in marketing process.

The report states that fluctuations in dollar margins come about because cattle and beef prices do not maintain a fixed relationship to one another at any point in the marketing channel.

the Texas Traffic Courts Conference at the University of Texas March 19-21.

Prominent law enforcement and traffic safety officials spoke at the business meetings, while banquet speakers were Erle Stanley Gardner, author of mystery novels, and Rod Cameron, movie star.

Franklin Glaser

## News From Sharp

MRS. FLORENCE SPIEGEL

Guests in the home of Mr. and Mrs. Rufus J. Graves are Mrs. Graves' parents, Mr. and Mrs. Owen T. Booker of Memphis, Tenn., and a cousin, Mrs. Jimmy McKinzie of Ripley, Miss. Mrs. Graves' sister and family, Mr. and Mrs. George Miller and daughter, Pamela, were here from Houston over the weekend.

B. R. Williams of San Angelo is visiting his daughter and husband Mr. and Mrs. R. E. Eaken.

Mr. and Mrs. H. F. Lange and son, Siefried Walle recently visited with Mrs. Lange's sister, Mrs. Edmund Persky and Mr. Persky.

Mr. and Mrs. Hicks Garner and Bob accompanied their daughter and family, Lt. and Mrs. Donald Garth and infant son, Gary to Lubbock Friday. The Garths visited Lt. Garth's parents, Mr. and Mrs. R. D. Garth, Mr. and Mrs. Garner and Bob and Beverly, a senior at Texas Tech, went to Amarillo to spend the weekend with another daughter and family, the Clay Darks.

At the Family Night Supper at the Presbyterian Church Wednesday night, Nelson Davis had charge of the program, "Room To Grow In."

Mr. Albert Rinn is visiting relatives in Austin.

Allen Linhorst of Fort Worth recently visited his grandparents, Mr. and Mrs. R. F. Linhorst.

Mr. and Mrs. B. B. Clark and infant son, Tom, will be here from Houston Friday to visit their parents, Mr. and Mrs. Paul Graves and Mrs. Bill Clark of San Gabriel.

Mrs. E. J. Rinn and Nroma and Elmer spent Wednesday in Cameron at the bedside of Mrs. Rinn's son, W. O. Rinn, who was injured Tuesday in an accident. Mr. Rinn is in the St. Edwards hospital.

The school board of the Sharp Rural High school has ordered the annual trustee election held April 7.

Otis Charles of Tracy and E. L. Modesette of Duncan, whose terms are expiring are not seeking re-election.

So far, no other candidates have filed.

Lannis Petty was appointed Election Judge. The election will be held in the school building.

Mrs. Marvin Petty honored her mother, Mrs. Lee Williams, with a come and go birthday card party on her 91th birthday at the Marvin Petty home Tuesday afternoon. A special guest was Mrs. Williams' sister, Mrs. Katie Richardson of Rockdale. Birthday cake and punch were served to guests.

## Chas. Burkes To Attend Gas Assn. Meet At Dallas

Dallas, the second big city in the Southwest to have natural gas service for cooking and heating, will be host next month to leaders in the natural gas industry from all over the South.

Mr. and Mrs. Charles Burke of Cameron will be among more than 2,000 delegates and visitors expected April 23-25 for the forty-eighth annual convention of the Southern Gas Association, L. A. Bickel of Dallas, general convention chairman, said today. Lone Star Gas Company, of Bickel is vice-president, piped natural gas to Fort Worth, then Dallas, from the petrolium field in Clay County in 1910 - first large-scale use in the Southwest of the gas which many then scorned as a useless byproduct of the search for oil.

One of the convention's featured speakers will be former Congressman Fred A. Hartley Jr. of New Jersey, co-author of the Taft Hartley Labor Law. Now president of the National Right-to-work Committee, he will discuss "The Taft Hartley Law and Right-to-Work Issues."

Also on the program are the leaders of the nation's two largest organizations for the gas industry: Dean H. Mitchell of Hammond, Ind., president of the American Gas Association, and W. F. Rockwell Jr. of Pittsburgh,

Pa., president of the Gas Appliance Manufacturers Association.

Convention headquarters will be in the nation's newest big hotel, the 1,001-room Statler Hilton — appropriately, a hotel run entirely by natural gas for its cooking, heating, air-conditioning and refrigeration. The S.G.A.'s annual "Friendship Hour" will be held in the Statler Hilton's Grand Ballroom.

Entertainment feature for the ladies' luncheon will be a Neiman-Marcus style show.

Southern Gas Association membership includes transporters and distributors of natural gas in the fourteen-state area from Virginia to New Mexico, and manufacturers and distributors of natural gas appliances, equipment and materials. J. H. Collins Sr. of New Orleans, La., is president.

## M. S. Ruby Dies At Baytown; Rites At Waco Thursday

Mr. Martin Silsa Ruby, 66, of Waco died in a Baytown hospital on Monday March 19 at 1 p.m. Mr. Ruby was an electrical engineer and had been working in the Baytown area before he was admitted to the hospital.

He was born in Cameron but had lived for the past 22 years in Waco. He was city manager of Lubbock from 1920 to 1929.

He was a member of Calvary Baptist Church, the Masonic Blue Lodge of Bay City and the Order of the Elks.

His son, Martin, was a Waco High School football star, played at A & M, in the early 1940's and is currently a member of a Canadian professional team.

Services were held at 10:30 a.m. Thursday in the Wilkerson and Hatch Chapel. Dr. A. J. Holt officiating, burial in Oakwood Cemetery.

Surviving are his widow, two sons, Martin O. Ruby of Tulsa and Allen Ruby of Waco; two daughters, Mrs. Joe E. Goddard of Waco and Mrs. B. Blanchard of Anchorage, Alaska; six grandchildren; two sisters, Mrs. W. A. Bonds of Cameron and Mrs. A. L. Peterson of Yoakum.

the annual conference of the Woman's Society of Christian Service of the Texas Conference at Orange this week. Her mother, Mrs. Ola McGuire and Miss Mable Tyson accompanied her to Beaumont where they will visit a sister, Mrs. Maggie Moseley, Mrs. Freeman visited with Mr. and Mrs. John Freeman at Port Arthur enroute home.

## Progress Without Waste !!

To my fellow citizens:

Quite a number of the citizens of Cameron requested me to become a candidate for Mayor. They felt that my six years experience as a member of the City Council plus my consistent efforts toward the progress of this community would qualify me for this high office.

I am not a candidate for re-election to the City Council and the place that I am vacating will be filled by the Councilman you elect. I have no axes to grind so do not expect or intend to impose my will upon anyone. I have endeavored at all times to understand the other members of our Council and now feel that they will willingly work with me for Cameron's best interests.

I attended public school here and now have three daughters enrolled in our schools. Cameron has always been good to me and I feel privileged to live here with you. Certainly I have an obligation to this community that I will never be able to repay in full, and I feel it my duty to offer myself for such service that will be of benefit to my home town.

It is my hope that I have so conducted myself in the past that I will merit your vote for the office of Mayor April 3. Voting is an important privilege that is not enjoyed by the people of so many other countries. Vote for the candidate of your choice, but please vote.

Sincerely your friend,  
Milton J. Schiller

## News From Jones Prairie

Mrs. S. S. Hickman

## Lake Belton Is Popular Resort

Enjoying a beautiful Palm Sunday on Belton Lake were some Camerons among hundreds who sought out the new Central Texas recreation spot to occupy their Sunday afternoons.

Seen at the lake were J. L. Lamkin and wife, Charlie Meyers, Marvin Ethridge, Leonard Koenig, Kelly Blackman, Johnnie Graham and Petey Graham.

## Oklahoma Mayor Checks Up On Former "Subject" Here

Miss Natalie Bynum was agreeably surprised last week while at work in her "Little Texan" shop to look up and find a couple, not customers, but visitors from Oklahoma and her old hometown of Henrietta.

Mr. and Mrs. B. A. Troutman were on their way to Corpus Christi to see their children. Troutman is mayor of the northeastern Oklahoma town.
